PCTEL to Present at Banc of America Securities Tech Week 2001

PCTEL to Outline Company's Financial Projections and Address Industry Trends

Milpitas, CA – February 5, 2001 – PCTEL, Inc. (NASDAQ: PCTI), the leading provider of personal connectivity and Internet access technology, will present a company overview at Banc of America's industry conference, Tech Week 2001, to be held February 5-8 in San Francisco. On Wednesday, February 7, PCTEL's president and chief operating officer, Bill Roach, and chief financial officer Andrew Wahl, will address key industry issues and trends and discuss the financial projections and competitive strategy for the company.

The Tech Week 2001 conference is being held at the Ritz Carlton Hotel. PCTEL's presentation is at 3:40 p.m. in Salon III on February 7. The presentation and breakout session will be broadcast via a live audio webcast at the following web addresses:

Presentation: www.veracast.com/bas_techweek2001/webcasts/ID07314348.cfm

Breakout session: www.veracast.com/bas_techweek2001/webcasts/ID59315714.cfm

The webcast will be archived for 14 days following the conference.

ABOUT PCTEL

PCTEL, founded in March 1994, is driving the evolution of innovative, cost-effective personal connectivity solutions including analog soft modems, digital broadband, home networking, high-density carrier-side and embedded Internet access technology. The company's market leadership has led to a wide ranging and comprehensive portfolio of more than 43 broadband and analog communications patents, including the key and essential patents for HSP modem technology. PCTEL products are available to PC and data communications equipment manufacturers, as well as a variety of vertical market OEMs. PCTEL is located at 1331 California Circle, Milpitas, Calif., 95035. Telephone: (408) 965-2100. Fax: (408) 895-0178. For more information on PCTEL products, visit the PCTEL website at <http://www.pctel.com>.

Safe Harbor Statement

This press release contains "forward-looking statements" as defined in the Private Securities Litigation Reform Act of 1995. Actual results may differ materially from those projected as a result of certain risks and uncertainties. These risks and uncertainties include, but are not limited to; cancellation of Tech Week 2001, availability and opportunity of company executives to present at conference; as well as other risks and uncertainties, including but not limited to those detailed from time to time in the company's Securities and Exchange Commission filings. These forward-looking statements are made only as of the date hereof, and the company disclaims any obligation to update or revise the information contained in any forward-looking statements, whether as a result of new information, future events or otherwise.
